

SECURITIES AND EXCHANGE COMMISSION
[Release No. 34-94485; File No. SR-ICEEU-2022-007]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change, as Modified by Amendment No. 1, Relating to Amendments to the ICE Clear Europe Delivery Procedures

March 22, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 8, 2022, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(4)(ii) thereunder,⁴ such that the proposed rule change was immediately effective upon filing with the Commission. On March 16, 2022, ICE Clear Europe filed Amendment No. 1 to the proposed rule change to make certain clarifications about the purpose of and statutory basis for the proposed rule changes.⁵ The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1 (hereafter the “proposed rule change”), from interested persons.

⁵ In Amendment No. 1, ICEEU expanded the description of the expected effect of the proposed changes as well as the basis for the proposed changes under the relevant law; however, the substance of the proposal is unchanged.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed amendments is for ICE Clear Europe to amend its Delivery Procedures (“Delivery Procedures” or “Procedures”) to amend Part CC thereof (“Part CC”) to revise certain timing-related delivery specifications applicable to Midland West Texas Intermediate American Gulf Coast Crude Oil Futures (“Midland WTI Contracts”).⁶

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part CC of the Delivery Procedures to revise certain delivery specifications applicable to Midland WTI Contracts. Specifically, with respect to Exchange for Physicals (EFPs), the amendments would extend the deadline for EFPs to be reported to any time after the close of trading until 13:00 CT/ 19:00 LPT on the next Business Day following the Last Trading Day instead of (09:00 CT/15:00 LPT). This change would expand the availability of the reporting deadline to

all EFPs, and not just those that are executed on the Last Trading Day. The Clearing House has determined that this adjustment reflects the Clearing House's current practice. Conforming timing updates would also be made to the Delivery Timetable.

The amendments would also adjust the deadline for Delivery Confirmation Forms to 14:00 CT/ 20:00 LPT on the Business Day following the Last Trading Day (rather than 10:00 CT/ 16:00 LPT).

(b) Statutory Basis

ICE Clear Europe believes that the proposed amendments to the Delivery Procedures are consistent with the requirements of Section 17A of the Act⁷ and the regulations thereunder applicable to it. In particular, Section 17A(b)(3)(F) of the Act⁸ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible, and the protection of investors and the public interest. The proposed changes to the Delivery Procedures are designed to amend certain deadlines under the delivery procedures, for Midland WTI Contracts, to give Clearing Members more time to facilitate settlement and thereby permit more up-to-date information to be available at the time of reporting EFPs. The amendments would not otherwise affect the manner in which Midland WTI Contracts are cleared and settled. As a result, in ICE Clear Europe's view, the amendments would be consistent with the prompt and accurate clearance and settlement of the contracts, and the protection of investors and the public interest

⁸ 15 U.S.C. 78q-1(b)(3)(F).

consistent with the requirements of Section 17A(b)(3)(F) of the Act.⁹ (In ICE Clear Europe’s view, the amendments would not affect the safeguarding of funds or securities in the custody or control of the clearing agency or for which it is responsible, within the meaning of Section 17A(b)(3)(F).¹⁰)

In addition, Rule 17Ad-22(e)(10)¹¹ provides that “[e]ach covered clearing agency shall establish, implement, maintain and enforce written policies and procedures reasonable designed to, as applicable [...] establish and maintain transparent written standards that state its obligations with respect to the delivery of physical instruments, and establish and maintain operational practices that identify, monitor and manage the risks associated with such physical deliveries.” As discussed above, the amendments would amend certain deadlines under the Delivery Procedures applicable to the settlement of Midland WTI Contracts. Clearance of the Midland WTI Contracts would not otherwise be affected. The amendments thus appropriately clarify the role and responsibilities of the Clearing House and Clearing Members with respect to physical delivery. As a result, ICE Clear Europe believes the amendments are consistent with the requirements of Rule 17Ad-22(e)(10).¹²

(B) Clearing Agency’s Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendments would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendments to the Delivery Procedures are intended to extend certain deadlines under the Delivery Procedures applicable to the

delivery of Midland WTI Contracts. ICE Clear Europe does not believe the amendments would adversely affect competition among Clearing Members, materially affect the cost of clearing, adversely affect access to clearing in the new contracts for Clearing Members or their customers, or otherwise adversely affect competition in clearing services.

Accordingly, ICE Clear Europe does not believe that the amendments would impose any impact or burden on competition that is not appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments relating to the proposed amendments have not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and paragraph (f) of Rule 19b-4¹⁴ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
